

# SCJITZHUND AUSTRALIA WHELPING BOX

## *MONSIMBEE GSDS (NSW)*

Proudly presents a **fully imported** litter  
Puppies due 27<sup>th</sup> January 2012

ZASKO V PRIELBERG (imp BEL) X QUOTE V WALSHAGEN (imp GMY)

The union of Zasko Vom Prielberg and Quote Van Walshagen is a much anticipated litter.

Zasko is SchH 3, Kkl 1, V rated and is the most proven stud dog ever to come to Australia. His progeny can be found throughout the world, competing at high levels.

Quote is SchH 1 and was imported from Germany late 2010. Quote is a high prey drive bitch with an excellent pedigree. Her mother line gives very strong defense and Quote is fast, athletic with a clear head and good grips.

We expect this litter to produce pups with intense drives, stable nerve and extreme courage, especially suited to working/sporting homes.
